## “A Mission of Saving”

*"Stories of the beleaguered Saints and of their suffering and death will be repeated again and again.... Stories of their rescue need to be repeated again and again. They speak of the very essence of the gospel of Jesus Christ"*

(Ensign, Nov. 1996, 86).

*"I will never get over being thankful to them; I hope you never get over being thankful to them.*

*I hope that we will always remember them.... Let us read again and again, and read to our children or our children's children, the accounts of those who suffered so much"* (Church News, 31 July 1999, 5).
