

We Magnify Our Priesthood

President Gordon B. Hinckley said: *"We magnify our priesthood and enlarge our calling when we serve with diligence and enthusiasm in those responsibilities to which we are called by proper authority.... We magnify our calling, we enlarge the potential of our priesthood when we reach out to those in distress and give strength to those who falter.... We magnify our calling when we walk with honesty and integrity"*

(in Conference Report, Apr. 1989, 63; or Ensign, May 1989, 48-49).
