

# We Should Continue to Learn

Elder Russell M. Nelson of the Quorum of the Twelve said: *"Because of our sacred regard for each human intellect, we consider the obtaining of an education to be a religious responsibility...."*

*"Our Creator expects His children everywhere to educate themselves"*

(in Conference Report, Oct. 1992, 5; or Ensign, Nov. 1992, 6).

President Gordon B. Hinckley taught young people the value of education: *"It is so important that you young men and you young women get all of the education that you can. The Lord has said very plainly that His people are to gain knowledge of countries and kingdoms and of things of the world through the process of education, even by study and by faith. Education is the key which will unlock the door of opportunity for you. It is worth sacrificing for. It is worth working at, and if you educate your mind and your hands, you will be able to make a great contribution to the society of which you are a part, and you will be able to reflect honorably on the Church of which you are a member. My dear young brothers and sisters, take advantage of every educational opportunity that you can possibly afford, and you fathers and mothers, encourage your sons and daughters to gain an education which will bless their lives"*

("Inspirational Thoughts," Ensign, June 1999, 4).
